The image shows a screenshot of the Facebook page for the Engineers Australia Hong Kong Chapter. At the top, there is a blue navigation bar with the Facebook logo on the left and login fields for 'Email or Phone' and 'Password' on the right, along with a 'Log In' button and a 'Keep me logged in' checkbox. Below the navigation bar is a large banner image of a city skyline at night with a large offshore structure in the foreground. Overlaid on the banner is a white box with the text: 'Engineers Australia Hong Kong Chapter is on Facebook. To connect with Engineers Australia Hong Kong Chapter, sign up for Facebook today.' Below this text are 'Sign Up' and 'Log In' buttons. The name 'LEI YUE MUN - PATRICK K. L. LEE' is visible in the bottom right corner of the banner. Below the banner is the profile header for 'Engineers Australia Hong Kong Chapter', which includes a profile picture (a red hexagon logo), the name, and a 'Like' button. Below the header is a 'Non-Profit Organization' section with a description: 'The Hong Chapter is the largest overseas chapter of Engineers Australia and represents some 1200 members living and working in Hong Kong.' To the right of this section are three tabs: 'Photos' (with a small photo thumbnail), 'Likes' (with a thumbs-up icon and the number '44'), and 'Events' (with a yellow 'Technical Talk' event thumbnail). At the bottom of the page is a 'Highlights' dropdown menu.
