

ENGINEERS
AUSTRALIA
Hong Kong Chapter

Technical Talk:

L. V. SwitchBoard

Date, Time & Venue

24 July 2012 (Tuesday): 6:00pm (Networking), 7:00pm (Start of Seminar)
The Australian Consulate General, Hong Kong, "The Wombat Hole" 24/F Harbour Centre,
25 Harbour Road, Wanchai, Hong Kong

Programme Highlights

This technical talk will present an overview of the following items:

1. Review of the switchboard standard
2. Construction and configuration of low voltage switchboards
3. Testing and commissioning of low voltage switchboards
4. Maintenance of low voltage switchboards
5. Experience sharing on installation of low voltage switchboards

Speaker: Mr. Sherman Tong

Mr. Tong has been working in building services installations since 1984 and has been involved in some prestigious projects such as the HK Cultural Centre, and Pacific Place. From 1993, he was assigned to develop a switchboard business. His experience in switchboards includes design, manufacturing, installations and refurbishment.

Special Highlights

Two free soft drinks or beers will be served during the event to the Engineers Australia members who are present at the technical talk.

Continuing Professional Development (CPD)

Attending Engineers Australia members will be issued with a certificate acknowledging 1.5 hours of CPD.
