Objective:

To send our warmth to the community elders and the caregivers in this festive season.

Engineers Australia, Hong Kong Chapter will provide gifts to the elderly people for their celebration of the Winter Solstice (冬至) and Christmas.

2-3 volunteers will be arranged in groups to visit 4-5 elder households in the morning. They will deliver a bag of gift to each visiting elders. During the visit, volunteers will help conducting a ‘social network’ assessment (a short questionnaire to understand the social support received by the elderly singleton or elder-in-need) and teach the elders some simple exercises during visit at elder’s home. All the techniques and skills will be briefed to volunteers during our kick-off ceremony before the home-visit.

Coach will be arranged to send volunteers to the nearest site of elder’s home and volunteers will be dismissed at the nearby elderly centre.

All members, their family and friends are welcome to join. The cost is free.
