Recycle Plant Visit at Lung Kwu Tan, Tuen Mun

Date and Time

Saturday, **3 December 2011**, 10:00 am to 12:00 noon.

Assembly place will be at Tuen Mun West Rail Station and the details will be advised to successful applicants in due course.

Programme Highlights

Dynamic Progress International Ltd is the first company to have a license to manufacture biodiesel for vehicle and industrial use in Hong Kong. It is a local waste recycling model in Hong Kong. It transforms waste cooking oil collecting from local restaurants into carbon neutral renewable energy biodiesel. Since 2008, its products are being using in the HK Air Cargo Industry Services Limited, HK Jockey Club, Asia Airfreight Terminal etc. The Hong Kong Government also planned to use biodiesel in their various departments in 2012. Through this visit, you can know more about local pioneering showcase of green fuel industry in Hong Kong.

CPD

Participants in this event will be entitled to claim 3 CPD hours, and CPD certificates will be provided.

Registration & Enquiries

Prior registration is required. The number of participants is limited to 25 and priority will be given to IEAust members. Please complete and return the reply slip to Simon Fan by email or fax. The deadline for registration is 26 November 2011, and successful applicants will be notified via e-mail on 30 November 2011. For enquiries please contact Simon Fan on 2430 9030.

Important Notice

1. The Organizer(s) or the parties concerned would not accept any liability in connection with this function. All participants should be responsible for their own safety and belongings. The organizer(s) shall not be held responsible for any losses or accidents caused to participants arising wholly or partly from their own fault, negligence or physical unfitness.
