Technical Visit to Wan Chai Development Phase II

Date, Time & Venue

Saturday, **29 October 2011**, 9:00 am to 12:00 noon.

Assembly venue will be advised to successful applicants.

Programme Highlights

The key purpose of Wan Chai Development Phase II (WDII) is to provide land at Wan Chai North and North Point for the construction of the Central - Wan Chai Bypass and Island Eastern Corridor Link ("the CWB"). Land formed under the project will be developed as a world-class waterfront promenade joining that at the new Central waterfront for public enjoyment.

Major elements of the WDII project include:-

1. Formation of land along the existing coastline at Wan Chai North and North Point for the construction of the CWB;
2. Re-provisioning of affected existing facilities including cross harbour water mains, submarine sewage outfall pipelines, ferry piers, cooling water pumping systems and a salt water pumping station;
3. Extending Road P2 at Central Reclamation Phase III to Wan Chai North and re-aligning the existing Hung Hing Road;
4. Modification of existing roads for connection with the slip roads of the CWB tunnel; and
5. Construction of new pedestrian linkages to the new waterfront.

In this visit, participants can understand the scope of WDII Project and appreciate the on-going construction activities such as seawall construction and associated land formation works, construction of CWB tunnel and re-provisioning of affected existing facilities.

CPD

Participants in this event will be entitled to claim 3 CPD hours, and CPD certificates will be provided.

Registration & Enquiries

Prior registration is required. The number of participants is limited to 20 and priority will be given to IEAust members. Please complete and return the reply slip to Simon Fan by email or fax. The deadline for registration is 24 October 2011, and successful applicants will be notified via e-mail on 25 October 2011. For enquiries please contact Simon Fan at 9351-4963.

Important Notice

1. The Organizer(s) or the parties concerned would not accept any liability in connection with this function. All participants should be responsible for their own safety and belongings. The organizer(s) shall not be held responsible for any losses or accidents caused to participants arising wholly or partly from their own fault, negligence or physical unfitness.
2. All participants should bring along their own personal protective equipment.
3. Group photos of the visit will be taken and uploaded to the WDII project website at www.wd2.gov.hk.
