

Vale Peter Taylor former Chief Executive Engineers Australia

Peter Taylor, the former Chief Executive of Engineers Australia, passed away on 20 January 2013. Peter was a long-time friend and adviser of the Hong Kong Chapter of Engineers Australia and he will be sorely missed. He will be fondly remembered though by those who had the honour to know him.

On behalf of the Chapter, I would like to offer my heartfelt condolences to Peter's wife Barbara and his family

Scott Smith
EAHK President (2012-13)
