

ENGINEERS AUSTRALIA HONG KONG CHAPTER

2015 Photo Competition “Engineers in Action”

Highlights

We are pleased to announce the 2015 EAHK Photo Competition with the theme “Engineers in Action”. **EAHK Members** are cordially invited to submit photos with an emphasis on Engineers actively engaged in their engineering work and projects.

Submissions will show the diversity of Engineering activities and roles within Hong Kong and will be judged on people, engineering interest, photographic and artistic merit. Photos do not need to be of the Members own projects but preference will be given to current or recently completed projects showing “Engineers in Action”.

Winning photos will be printed in our 2016 Souvenir Calendar for our members and friends. The Best Photo will be on the cover and the 12 runner-up photos will decorate each month. A judging panel, including a number of past EAHK Presidents, will review the submitted entries to determine the winners.
