Technical Visit to Gleneagles Hong Kong Hospital

Engineers Australia Hong Kong Chapter invites you to a technical visit at Gleneagles Hong Kong Hospital (GHK), a state-of-the-art, multi-specialty private tertiary hospital, on Saturday 8th July.

Engineers Australia Hong Kong Chapter invites you to a technical visit at Gleneagles Hong Kong Hospital (GHK), a state-of-the-art, multi-specialty private tertiary hospital, on **Saturday 8th July**.

Commenced services in March 2017, GHK is the latest private hospital in Hong Kong designed to provide quality and accessible healthcare services. Located at Wong Chuk Hang on Hong Kong Island South, GHK has 500 beds and offers a comprehensive range of clinical services spanning more than 35 specialties and subspecialties.

In this technical visit, the participants will be briefed on the background information of GHK. The participants will then be guided on a tour to various plant rooms and associated areas to know more about its engineering system and equipment installed. There are opportunities for the participants to exchange with the facility management and engineering teams of GHK during a Q&A session.
