

Diversity in Engineering

2022 Engineers Australia (Hong Kong Chapter) Photo Competition

The “Diversity in Engineering” Photo Competition organised by Engineers Australia (Hong Kong Chapter) (EAHK) is calling for entries from its Hong Kong members. The competition aims to showcase engineering efforts and activities in Hong Kong that create, inspire and/or transcend into outcomes for easier lifestyles and a more sustainable and resilient society.

Would you like to see your photographs in the 2023 EAHK Calendar and contribute to the year-end gift to EAHK’s members and friends?

PRIZES

Cash Prizes will be awarded to the winners of Best Photo and the 12 runners-up.

Best Photo – HK\$3,000

Runners Up (x12) – HK\$1,000 each

SUBMISSION OF PHOTOS

The winning photos will be printed on the 2023 EAHK Calendar with the Best Photo on the cover and the 12 runners-up featured in each month.

- Photos must be in landscape orientation and be no less than 1280 pixels in width
- Photos must be in standard jpeg format with a title as file name
- Photos must be sent to EAHK by email to info@ieausthk.org by Sunday 30 October 2022
- Photo submission email shall include "2022 EAHK Photo Competition" in the subject line. The member's name, membership number and contact information shall be supplied in the body of the submission email. Each member shall submit all of his/her entries in one email.

THE DATELINE FOR SUBMISSIONS IS 11:59pm, SUNDAY 30 OCTOBER 2022

RULES & CONDITIONS

1. Only entries from EAHK members will be eligible for prizes and each member may submit up to five photos.
2. Members must obtain any copyright releases or company approvals, if applicable, allowing EAHK to use the photos in the calendar and at EAHK functions/activities.
3. Photos should not contain commercial elements such as company names and logos.
4. Photos need not be the member's own projects but preference will be given to current projects or ones completed after 2018.
5. Members retain copyright of their photos.
6. While post processing of photos is encouraged, computer generated images will not be accepted.
7. The winners will be determined by a judging panel consisting of EAHK Past President(s) and member(s). The winning photos will be selected based on people and engineering interests, how the project illustrates Diversity in Engineering, as well as photographic and artistic merits. The judging panel's decision shall be final.
8. Winners will be notified via email before 1 December 2022. No notification will be sent for unsuccessful entries.
9. Upon submitting your entry in the 2022 photo competition, you are deemed to have agreed to provide EAHK with a non-exclusive and royalty free licence for the submitted photos.
10. Current EAHK Committee Members who contributed a winning photo will receive a Certificate of Excellence instead of the cash prize.

*EAHK reserves the right to use photos other than competition entries for the calendar if not enough suitable photos are submitted for the competition.

* Each member may award no more than two prizes.
